### **2. Intellectual and industrial property rights**

The website (including but not limited to its programming, editing, compilation and other elements necessary for its operation, the designs, logos, text and/or graphics) is owned by the DATA CONTROLLER or, as the case may be, it holds a license or an express authorization by the authors. All website contents are duly protected by intellectual and industrial property laws, and are registered in the corresponding public registries.

Regardless of their intended purpose, the total or partial reproduction, use, exploitation, distribution, and commercialization of the website contents requires in any case the prior written authorization from the DATA CONTROLLER. Any unauthorized use is considered a serious breach of the author's intellectual or industrial property rights.

The designs, logos, text and/or graphics not belonging to the DATA CONTROLLER, and which may appear on the website, belong to their respective owners, who are responsible for any possible dispute that may arise regarding them. The DATA CONTROLLER expressly authorizes third parties to redirect to the specific content of the website and, in any case, to the main website of [ariasslp.com](http://ariasslp.com).

The DATA CONTROLLER acknowledges the corresponding intellectual and industrial property rights in favor of their owners. Any mention or appearance on the website does not imply the existence of any rights or responsibility whatsoever over them, nor does it imply any endorsement, sponsorship, or recommendation by the website.

Comments regarding any possible breach of intellectual or industrial property rights, as well as regarding the contents of the website, can be made by sending an email to [admin@ariasslp.com](mailto:admin@ariasslp.com).

### **3. Exemption from liability**

The DATA CONTROLLER is exempt from any type of liability derived from the information published on its website whenever this information has been manipulated or introduced by a third party not related to the DATA CONTROLLER.

### **4. Use of Cookies**

This website uses technical cookies (small files with information that the server sends to the computer of the website user) to carry out certain functions considered necessary for the correct functioning and preview of the website. In any case, the cookies used are temporary, with the sole purpose of making navigation of the site more efficient and disappear at the end of the user's session. Under no circumstances do these cookies themselves provide personal data and will not be used for the collection of such data.

Through using cookies, it is also possible for the server where the website is located to recognize the browser used by the user to make navigation easier and to allow, for example, users who have previously registered to access the areas, services, promotions, or contests reserved exclusively for them without having to register on each visit. They may also be used to measure the audience or traffic parameters, monitor the progress and number of entries, etc. In these cases, the cookies used are technically non-essential but beneficial to the user. This website will not install non-essential cookies without previous user consent.

The browser may be configured by the user to alert him/her of the reception of cookies and to prevent their installation on his/her computer. For further information, please consult the instructions of your browser.

## **5. Link policy**

The user of this website may be redirected to content from third party websites. Since the DATA CONTROLLER cannot always control the contents of third-party websites, it does not assume any type of responsibility with respect to said contents. In any case, the DATA CONTROLLER will immediately remove the redirection to any content that may be in breach of national or international laws, morality, or public order, and inform the competent authorities of the content in question.

The DATA CONTROLLER will not be responsible for the information and content found, including but not limited to, in forums, chats, blog generators, comments, social networks or any other means that allows third parties to publish content independently on the website of the DATA CONTROLLER. However, under Articles 11 and 16 of LSSICE, third party content is made available to all users, authorities and law enforcement bodies, collaborating directly on the withdrawal or blocking of all content that may affect or violate national or international law, third party rights or public morals and public order. If the user considers that any content on the website could be understood as such, please notify the website administrator immediately.

This website was revised and tested to enable its correct functioning. In principle, proper functioning can be guaranteed 365 days a year, 24 hours a day. However, the DATA CONTROLLER does not rule out the possibility of there being certain programming errors, or that force majeure, natural disasters, strikes or similar circumstances may occur that make accessing the website impossible.

## **6. IP Addresses**

The website servers can automatically detect the IP address and the domain name used by the user.

An IP address is a number assigned automatically to a computer when connected to the Internet. All this information is recorded in a duly registered server activity file that allows the subsequent processing of the data to obtain only statistical measurements that show us the number of page hits, the number of visits made to the web servers, the order of visits, the access point, etc.

## **7. Applicable law and jurisdiction**

Spanish law, to which the parties expressly submit themselves, will apply to all disputes or questions related to this website or the activities carried out on it, and the Courts and Tribunals of the city of Madrid shall be responsible for the resolution of all conflicts arising from or related to its use.
