

**Jorge Romero**  
Arias SLP

Jorge Romero is an associate at Arias SLP. He has four years of experience gained at international law firms in Madrid.

Jorge has advised national and international companies on regulatory matters related to financial and transactional projects in the energy sector. He also acts as counsel and as tribunal assistant in cases administered by the main national and international arbitration institutions.

Jorge holds a double degree in Law and International Relations from Universidad Francisco de Vitoria. He also holds a double master to access the legal profession and corporate legal counseling from Universidad Pontificia de Comillas (ICADE).

Jorge was admitted to the Madrid Bar Association (ICAM) in 2021.

He speaks English and Spanish.

## Representative matters as tribunal assistant

- Administrative secretary in a dispute between two Spanish companies arising from an EPC contract for the construction of a photovoltaic facility located in Spain (CAM, Madrid, Spanish law, English)

## Representative matters as counsel

- Advising Spanish and international companies on energy law and other regulatory issues related to the acquisition of companies or assets in the renewable energy and hydrocarbon sectors
- Advising Spanish and international companies on the drafting of power purchase agreements, share purchase agreements and operation and maintenance agreements
- Advising international companies in administrative and contentious-administrative proceedings related to energy law

## Conferences

- IV Jornada Anual Sobre Probono (European Probono Week), Sobre la reforma civil y procesal para el apoyo de las personas con discapacidad (22 November 2023)
