

**Cristina Pinedo**  
**Arias SLP**

## Languages

Spanish, English, German

## Nationality

Spain

Cristina Pinedo is a senior associate at Arias SLP with ten years' experience in international transactions and disputes.

She worked for four years at an international law firm in Madrid advising Spanish and foreign companies in international commercial arbitrations. She also worked for six years as in-house counsel, mainly in the engineering and construction sector in Latin America, advising on public and private contractual issues, pre-litigation matters and M&A transactions.

She holds a degree in Law and International Legal Studies from Universidad Pontificia de Comillas (ICADE). She also holds a double masters degree in legal practice and international business law from Universidad de Nebrija (Centro de Estudios Garrigues).

Cristina acts as counsel in cases administered by the main national and international arbitration institutions.

She joined the Madrid Bar Association (ICAM) in 2015.

## Representative matters as counsel in international arbitrations

- Representing a German engineering company against a Portuguese chemical company in a dispute under an EPC contract for a nitric acid production plant (ICC, Madrid, Spanish law, Spanish)
- Representing a Bolivian public entity in a dispute arising from a contract for the exploitation of mining deposits in Bolivia (ICC, Santa Cruz de la Sierra, Bolivian law, Spanish)
- Representing a Spanish public engineering and construction company in a dispute arising from a consortium contract for the construction of a railway line in the Middle East (ICC, Madrid, Spanish law, English)
- Representing a Spanish construction company against a French investment fund and its management company in a dispute arising from a shareholders' agreement in a joint venture (ICC, Paris, Spanish law, English)
- Representing a Spanish public engineering and construction company in various international arbitrations derived from settlement agreements related to a railway line construction project in the Middle East (ICC, Paris, French law, Spanish)
- Representing a Spanish energy company in a dispute arising from several contracts for the supply of energy (CIMA, Madrid, Spanish law, Spanish)
